

The North Attleborough Special Education Parent Advisory Council [SEPAC] is a representative group of parents, teachers and administrators working together to facilitate and promote effective communication and feedback while offering resources, programs, tools and support services.

Our goal is to encourage respect, acceptance and inclusion of all children within our school system and community.

North Attleborough
Special Education Parent Advisory Council

SEPAC HEROES VIRTUAL PRESENTATION

May 21, 2020

7:00 – 8:30 p.m.

The North Attleborough Special Education Parent Advisory Council also facilitates ICARE [Introducing Children to Acceptance through Reading and Education], a disability awareness program teaching children that everyone is different and the importance of embracing those differences.
