

NORTH ATTLEBORO SPECIAL EDUCATION PARENT ADVISORY COUNCIL HEROES RECOGNITION PROGRAM

The North Attleboro Special Education Parent Advisory Council (NA SEPAC) Heroes Recognition Program has been established to honor members of our community for their outstanding service and commitment to children with special needs in North Attleboro. Our heroes include North Attleboro School Department Employees – both from general and special education classrooms – educators, para-professionals, counselors, program directors, gym, art or music teachers, OT's, SLP's, PT's and other professional staff working directly with and supporting individuals with special needs.

Families of children with special needs along with other members of the community are invited to nominate that very special individual who has made a difference in their child's life through service, education, at home support, etc. We will honor our Heroes at a special reception to be held April 24, 2019 at the North Attleboro Middle School Media Center. Those invited to the reception preceding the presentation include award recipients' and their families, nominators and North Attleboro SEPAC Board Members.
