Collaboration Achievement Respect Excellence Support

February 16, 2022

Dear Families:

Every year, each public school and school district in Massachusetts receives a report card. Just as your child’s report card shows how they are doing in different subjects, the school’s report card is designed to show families how our school is doing in different areas. A link to our school’s report card is available at [Community School Report Card](#).

The report card includes multiple measures of a school’s performance – more than just MCAS scores. It represents a new way of looking at school performance, by providing information on student achievement, teacher qualifications, student learning opportunities, and more.

Report cards are designed to be useful tools for everyone connected to our school. Families can use the information to have meaningful conversations with us about what the school is doing well and where there is room for improvement. Community and education leaders can use the information to better understand how to support students and our school.

In order to improve student performance in our school, we continue to revise curricula and share best practices to increase student engagement and achievement. We encourage you to become involved in helping us improve our school. We see parents as critical partners in the success of our students and school, and we are grateful for your continued support.

If you have questions about our school’s report card, would like to become involved in school improvement activities, or would like to request information about the qualifications of your child’s classroom teacher, please contact me.

Thank you and be well,

Jeffrey Sposato
 Principal
