What child wouldn't love to climb aboard a Big Truck,  
Loader or Backhoe?

The North Attleborough Board of Public Works and the Park and Recreation Department invite you to a unique opportunity for children to explore vehicles of all types—public service, emergency, utility, and construction—all in one place. Children will be allowed to touch, climb on and ask questions about their favorite trucks in a safe, supervised environment. The Rhythm Room will be back again!

Accompanying personnel will teach the children about the equipment displayed and how these machines help us and our community.

Also: Public Works Souvenirs and Stickers for the kids,  
Popcorn, Jump-A-Roo, Build a Small Craft,  
Face Painting, Tattoos and a Petting Zoo
