

# 7-9 PM WED MAY 29 ANTI-BULLYING PANEL DISCUSSION

**Grace Episcopal Church**  
**104 N. Washington St., North Attleboro, MA.**

*Handicapped Accessible*

Parents, please join us in a panel discussion to inform, enlighten, and help understand children who have been or are bullied. The children are taught in school not to allow bullying. Now the parents need to understand what their child/children may be going through if they have been bullied and what they can do to help.

Visit our website for more information.
