

Anyone interested in registering for any NA Park & Recreation activity must have an account on our website.

Please go to www.narecreation.com. If you have already created an account, please log in using your username and password.

If not, please click on Create New Account. Follow the steps on screen and fill in all necessary information to create your account. You will serve as the primary billing contact for the account and must be a parent/guardian to register account members for programs. Once a household account has been created, please add all children or family members who will be participating in programs. You can also add additional adults, who are able to register and pay for account members, and/or payer members, who are only able to make payments on the account. After your account has been reviewed by department staff, you will receive an email notifying you that your account has been approved. You may then use your account to register for open programs .

To register, choose the appropriate account member and register them for their chosen activity. If the individual meets the registration criteria, the program will be added to your cart. You can add multiple registrations for different account members to your cart before checking out. In your cart, you will be prompted to read and agree to any program disclaimers before you proceed with checkout. You can make payments online or you can print completed registration forms and drop them off with payment at the Park & Rec office. If you chose to check-out online, you will be transferred to UniBank where your payment will be processed. You may check out as a guest at UniBank and do not need to create an account to check out. Once registration is complete, you will receive an email with your receipt.

****Please note: if you choose to print your registration form, you are not enrolled in the program until you make payment at the Park & Recreation office. Registration is taken on a first come, first served basis. Spots will not be held for printed registrations without payment or registrations held in account shopping carts.****

If you have any questions or need help with account creation/program registration, please stop by or call the Park & Rec office at 508-699-0145.

SUMMER ACTIVITIES

Our one week Summer Activity Programs are directed and coached by an experienced staff of North Attleborough High School coaches and student athletes. We are pleased to offer their enthusiasm and expertise to our youth. In addition, we feel that our programs are offered at an affordable cost and will provide each participant a positive and enjoyable experience right here in North Attleborough!

NON RESIDENTS OF NORTH ATTLEBORO WELCOME!

North Attleboro Park & Recreation Department
@ Mason Field

446 Elm Street
North Attleboro, Massachusetts 02760
