## Scent-Sational Strawberry Festival!

Treat your senses as we welcome “Summer Downtown” with crafters/ vendors/ food/ games and contests/DJ/Petting Zoo/Grace Episcopal Church’s “Karnival Kids” and so much more!!

The Park and Recreation Department will be bringing their Petting Zoo, which is a big hit with the kids! DANA will be selling its famous homemade Strawberry Shortcake, topped with a mound of whipped cream.

Each year, this event has grown. This year we have a number of returning vendors along with new-comers who will be selling everything from hand-made soaps, crystal jewelry, face painting and henna, cosmetics and skincare and handmade crocheted items.

We hope you will be able to join us!
