In an ongoing effort to work collaboratively with agencies, clinics, private schools and professionals that serve families that live in North Attleborough, I am writing to you today to provide you with some information that you may find helpful. Attached you will find a flyer that provides information about obtaining a special education evaluation or services through the North Attleborough Public Schools. I would kindly ask that you post this information in a place where families of students will have access. Please note you may also copy this flyer for distribution. I thank you in advance for continuing to partner with us in serving the families and students of our community.

Should you have any questions , please do not hesitate to contact me at the number above.

Kindest Regards,

Julieann Hoell
