

North Attleborough Public Schools Wellness Committee Meeting:

**March 11, 2020 at 3:30 pm at
North Attleborough Middle School, rm 223.**

To all parents, staff, students and community members,

Having healthy choices at school helps keep our children healthy and ready to learn. The school wellness policy helps our district create an action plan for nutrition and physical activity at school.

Please join us at the Wellness Committee Meeting and help make sure the policy is meeting the needs of our students and staff. Feel free to share with others who may also be interested in our committee.

North Attleborough Schools wellness policy is available at:
