

CHALLENGER DIVISION

LITTLE NORTH ATTLEBORO LEAGUE

Our Challenger Division is a FREE program designed for children who face intellectual and developmental challenges in day-to-day life.

The program is co-ed for ages 8-18. Each player is paired with a peer helper from either one of the LNAL teams, a sibling or volunteers requesting to help. Coaches are parents, as well as dedicated people who love to work with our children.

- Open to children from our surrounding communities. Players do not need to live in North Attleboro to participate.
- The only equipment players need is a glove
- Shirt and hat is provided along with any other necessary equipment
- Most games are played at Mason Field on Saturday mornings
- Games are shorter, usually 3 innings with everyone batting and fielding
- Teams are multi-aged and we try to honor all requests to play with friends
- Season starts in mid-April and ends by early June
- Players march in the LNAL Day Parade, only a shorter route
- Season ends with a party and trophies for all
