American Public Power Association

September 30, 2020

Dear Third and Fourth Grade Students and Parents,

North Attleborough Electric Department (NAED) is sponsoring its' 26th annual art contest for all third and fourth grade students in North Attleborough. This year has been so different and difficult in so many ways, but we are hoping to hold on to this tradition.

We are submitting the forms to all of you virtually. As usual we will choose the winning drawings to be featured in NAED's 2021 Calendar and on NAED social media platforms. To enter the contest, please draw and color a picture with the theme "**How Important has Electricity become during the Pandemic?**". Use the 8 ½" x 11" piece of white paper you get with this letter. All pictures must be drawn to the edge of the paper with the whole page colored. You must give your picture a title and you may write a few words on it. Please put your name, address, phone number, teacher's name and grade, and school name on the **BACK** of your picture. *This is very important in helping us know the names of the winners.*

Pictures can be submitted to your school, by mail to NAED or scanned and emailed to [mdobson@naelectric.com](mailto:mdobson@naelectric.com). The 2021 selected drawings will receive a \$75 VISA gift card. We plan to acknowledge the students and their drawings at an upcoming Board of Electric Virtual meeting.

**Please Remember to Follow These Contest Rules:**

- 1. Draw a picture on the 8 ½" x 11" piece of white paper given here, using the paper horizontally (←sideways→).**
- 2. All pictures MUST be drawn to the edge of the paper and the entire paper must be colored.**
- 3. All pictures must have your name, address, phone number, teacher's name and grade, and school name on the BACK of your drawing.**
- 4. All pictures must be handed in to your teacher by the end of the day on Friday, October 23, 2020.**
- 5. Winners will be announced by Wednesday, October 28<sup>th</sup>.**

Please contact me at 508-643-6310 or email me at [mdobson@naelectric.com](mailto:mdobson@naelectric.com) with any questions. Thank you for all your pictures and ideas! Good luck to all!
