

Dear Families:

HELP WANTED!

It's certainly been an interesting year for North Attleboro Big Red Lax. After having to cancel our spring season we have been able to work with North Attleboro Parks and Rec to offer a 6-week Skills Session starting the first weekend in October (link below).

As we look forward to ramping up for the 2021 season it is very important that we add new members to our board of directors. Several board members are “aging out” of their positions as their children will be moving on to high school after this season. To maintain continuity, it is important that new members learn about the roles they may be taking on by shadowing the current members in their positions before taking on the roles.

To keep NABRL running strong WE NEED YOUR HELP.

No lacrosse experience is necessary. All you need is a willingness to help keep our children active and having fun.

If you have any questions please feel free to respond to me at president@nabigredlax.com or

Boys Director- Mike Babinski at boysprogram@nabigredlax.com

Girls Directors- Dawn Regan and Katie Ramm at girlsprogram@nabigredlax.com

Or any of our other Board Members listed here:

<http://www.nabigredlax.com/Page.asp?n=64705&org=NABIGREDLAX.com>

For more information about the upcoming fall skills session click here:
