Additional Information for Registration:

Uniforms: All new players to the program will receive a uniform (Reversible Jersey / Shorts) as part of their registration fee! Please note that uniforms previously received (Spring 2020) which need to be sized up or down must be purchased directly from our online vendor.

All players are required to wear a numbered uniform for games. Each player will be responsible for assuring a uniform has been ordered/received from Blatantteamstore.com. Ordering details will be made available in the next week or two. Jerseys are custom made for each player and therefore returns will not be accepted, making it important to order with the assigned number.

When registering, please enter your son/daughter's top 3 number choices from those available within their designated range (see link). Numbers will be assigned on a first come/first serve basis and choices are not guaranteed. Number ranges are assigned by grade. Do not order any uniform or merchandise until you have received confirmation of your number assignment from the Equipment and Apparel Director. Number assignments will be confirmed on a rolling basis and posted on the NABRL site.

Select Program:

If your Grade 5-8 player is interested in playing lacrosse at a more competitive level, you can also take this opportunity to sign up your player for Select Team tryouts which will be in January at Forekicks Taunton on 1/17 and 1/31. There is no cost beyond NABRL membership to try out for the Select teams. You MUST register for our Classic program in order to tryout for our Select team.

Once you get to the payment screen, for Select Registration, you may exit if you are rolling over a credit from last year. You can then go back into your account to see your associated registrations.

Additional Fees will be required if your child is selected for the select team.

Volunteers: Additionally, you have the option to save \$50 off your registration fee by joining our booster crew. This volunteer program is how we get all the things done that make our season run smoothly. We need your help, so we prefer that you sign up rather than pay the extra amount!

Within the next few weeks, you will receive an email with details about the Spring Season and our Bonus Winter Skills and Drills sessions that start in February at Forekicks in Taunton.
